Driving Professional Competence

Engineering Professional Registration Mentor and Mentee Agreement

This mentoring agreement is a partnership between:

_____ as Mentor

&

_____ as Mentee

Who are voluntarily entering into this agreement to assist the development of a Jaguar Land Rover Engineering mentee to become registered as an Information and Communication Technology Technician (ICTTech), Engineering Technician (Eng Tech), Incorporated Engineer (IEng), or Chartered Engineer (CEng) with the Engineering Council UK (EC^{UK}) via a Professional Engineering Institution (PEI). They wish this to be a mutually rewarding experience and agree that:

1. The mentoring relationship will normally last until the mentee becomes professionally registered at ICTTech, Eng Tech, IEng or CEng. This relationship will be evaluated every 6 months and will end if either party believes that the relationship is not beneficial.

2. We will meet <u>at least</u> once every 12 weeks. At the end of each meeting we will confirm date for the next.

3. We agree to keep the content of these meetings confidential unless otherwise agreed.

4. The boundaries of this agreement are as follows:

As mentor I will:

- meet when we agree
- review reports and applications you submit to me in a timely manner
- make competence assessments
- listen to you
- support you when you are right
- ask awkward questions
- meet with you and your line manager, if appropriate
- give you feedback
- help you learn
- provide information I promise you
- help you with internal politics and sensitivities
- provide introductions to others
- ask others to provide feedback on you
- help identify goals and make positive, impartial suggestions

As Mentor I will not:

- do your work for you
- talk all day
- support you when you are wrong
- answer all your questions
- intervene between you and your line manager
- guarantee you will like the feedback given to you
- chase after you for reports
- breach confidentiality
- teach you everything
- demand feedback from others
- identify your goals for you
- take offence if you choose not to take my advice (although I may ask why)

As mentee I will:

- take responsibility for arranging meetings with you
- complete reports and applications and submit them to you in a timely manner
- be open to constructive feedback
- be willing to change my mind
- be receptive to all avenues of self-improvement
- proactively seek development opportunities
- be open and honest
- focus on solutions

As mentee I will not:

- make unreasonable demands on your time
- ask you to do something I know I can do myself
- be afraid to ask “silly” questions
- expect ‘everything on a plate’
- undermine your position
- expect you to ‘go out on a limb’ for me
- complain about problems
- breach confidentiality
